

JME DEVELOPMENTS

To the resident,

Please be advised that work on the housing development within the red line on the below map will be commencing on Monday 29th June. A site compound will also be set up on the area of land between the pumping station and Grampian Walk. We kindly request that residents use off street parking and private drives wherever possible as this will really help with traffic flow in and around the areas of Brecon/Snowdon Close and Preseli/Grampian Walk.

We thank you in advance for your cooperation.

Kind regards

JME Developments
