Fly Tipping

Unfortunately somebody has decided that tipping debris next to the lake at the end of Brecon Close is acceptable. There are a few piles around the lakes perimeter. This must stop, it looks unsightly and only encourages others to do the same.

Grit Bins

Please leave the road grit in the grit bins unless the weather conditions require it to be spread, it has been reported to us that some of the grit bins on Mendip and Savernake have had their contents thrown on the paths within the last few weeks.

We thank you in advance for your cooperation.
