

Site Communication – 12th May 2021

Epping Road and Kesteven Way, road adoption works

Our surfacing contractor will be carrying out the final surfacing works to the footways on the above roads next Wednesday and Thursday 19th-20th May. For this work to be completed we would like to ask all residents in these areas to ensure that they do not block the footways with vehicles. Please park on your driveway or designated off street parking area. If you need to get your vehicle off your driveway between 0830-1530, we kindly ask you park on the road during these times.

We thank you in advance for your cooperation.

Regards JME Developments
